

2016 CALL FOR PRESENTATIONS

4TH ANNUAL UTEP IDR SYMPOSIUM

CREATING THE SPACE, CULTURE, AND ANCHORS FOR INTERDISCIPLINARY RESEARCH AND EDUCATION (IDRE)

We are pleased to announce a call for presentations to UTEP faculty, staff, and graduate students who are currently engaged in interdisciplinary projects or academic programs, are in the process of developing an idea into an interdisciplinary project and are seeking potential collaborators, or are part of a community of practice.

Symposium Date: Monday, April 25th at Blumberg Auditorium (UTEP Library)
 Poster Session: 2:00pm – 4:00pm
 Media format: Presenters may present a printed poster or may request a digital screen to show slides/video.
 Deadline/Selection: **Submit a Presenter Form to idrutep@utep.edu by Monday, April 11th.**

- Selected presenters deliver a brief 1-minute elevator speech in front of symposium attendees. After elevators speeches are finished, the poster session begins with symposium attendees circulating to the posters that interest them.
- Commonly asked questions about presenting and other registration information is at <http://www.idr.utep.edu/symposium.php>
- The IDR Symposium Planning Committee will select presenters.
- Interested in presenting at the symposium but can't make the flash session? Contact us!

PRESENTER FORM
SUBMIT THIS INFORMATION BY MONDAY, APRIL 11TH TO
IDRUTEP@UTEP.EDU

1. Presenter Name:
2. Presenter Email:
3. Please select the category that describes your presentation:
 - Category A:
Newly emerging research/education projects or communities that seek to extend involvement
 - Category B:
Individuals, teams, or communities of practice that seek to disseminate efforts

Category C:

Active or completed interdisciplinary research/education projects that seek to disseminate results

Category D:

Interdisciplinary academic programs that seek to disseminate information on recent program changes or opportunities.

4. Please provide the title of your presentation. You are encouraged to be creative with your title to appeal to a broad audience.

5. Will you be presenting a printed poster or would you like to display slides/video during the poster session? Note that we have **limited** monitors and will try to accommodate requests for digital presentations. Please select:

Paper poster (funds are available to print your poster at the UTEP Library if you are selected)

Digital poster

I can do either

6. Please list the individuals associated with your presentation that should be included in the conference handouts should your presentation be selected. **Use the following format in listing individuals and list your name first:**
Paydirt Pete, PhD candidate, Science, Geology

7. Please provide your abstract (300 words or less) below. Selected abstracts will be distributed to symposium attendees. Use language intended for a broad audience.

8. Have you/your collaborators presented on the proposed topic at a prior UTEP IDR Symposium? This does not disqualify you from presenting again so long as there is new content.
